### HUERTA REFUSES TO ALLOW AMERICAN MARINES TO LAND

Permission, He Says, Was Asked for Landing 2,000 Men for Protection of Legation in Mexico City

### REFUSED SAME REQUEST TO EUROPEAN POWERS

England, Germany, France and U. S. Snubbed, According to Huerta-Wilson Denies Permission Was Asked

(By Associated Press.)  
MEXICO CITY, Feb. 26.—Provisional President Huerta today refused permission to the United States government to send 2,000 American marines as a guard for the legation here. This information came direct from General Huerta himself.

### President Wilson Says No Request Was Made

WASHINGTON, Feb. 26.—Word came direct from President Wilson himself today that the United States had never requested permission to send marines to Mexico City and had not discussed nor taken up the subject in any way with Mexican officials.

For several days there has been considerable discussion in official circles about the sending of a legion guard to Mexico City similar to those sent by Great Britain and Germany, and while it is admitted that the Washington administration has been considering the possibility of such action, it is stated that no decision in the matter had been reached.

It also has been reported for some time that the Huerta government was not adverse to having American troops sent to Mexico City, but that the diplomatic authorities in Mexico City from practically all the nations had recommended such action.

The United States has each time been advised previously of the intention of other countries to send marines to Mexico City and has offered no objection.

Very recently President Wilson has called his cabinet and they have decided that they saw no occasion to follow the action of other nations in sending marines to Mexico City.

It was stated today that his position was unchanged.

Officials here made it plain that they viewed such an action by General Huerta as being made for his possible effect in the future, and not to guarantee the provisional president's repeated assurance that foreigners are in no danger.

### Vergara's Brother Goes To Scene of Hanging

LARIDON, Tex., Feb. 26.—States General Vergara and S. J. Hill of Laredo, brother-in-law of Clemente Vergara, were expected to arrive in Mexico today to see the execution of the man who was hanged for the murder of a ranchman.

The consul's visit to Hidalgo today was largely to formally demand that Vergara's body be surrendered to the family for burial. Opposition to this was not expected, for at last reports the body had not been cut down, and furthermore the dead man's friends point out the fact and manner of death have not been denied, so there was nothing to conceal by holding the body.

To accurate rumors exist to determine whether Vergara was on American or Mexican soil February 15, when struck in the head and captured.

### Sir Edward Gray Praised Wilson's Move in Mexico

(By Associated Press.)  
LONDON, Feb. 26.—Sir Edward Gray, the British foreign secretary, informed the house of commons today that the secretary of state Bryan's proposal to send an American army surgeon and an officer responsible American with General F. J. Wood, to examine the body of William S. Houston, the British ranchman, killed by Villa at Juarez. The foreign secretary continued:

"We are satisfied that the government of the United States is sure of much interest in this case and is doing as much to discover the facts as it has been able to do. American officials. We cannot ourselves do more at the present moment than send a consul to be present at whatever investigations may be made."

Sir Edward Gray added:

"In making of course to the house of commons next week of the view of the British government as to what can be done further, either to get at the truth if it is then in doubt, or to secure what justice may require."

"It is scarcely necessary to emphasize what everybody knows—the deep feeling which exists in this house and in the country in connection with this case, and which I hope to be able to express in a few days, because the expression of it has been so very restrained. Cheers from all parts of the house greeted the foreign secretary's statement."

The city's immaculate whiteness was vanishing before the early morning sun when this photograph was taken, Thursday, Feb. 26, 1914. The camera man aimed north-west from the foot of the Chandler building.

### SIXTEEN GIANT CARS PLANS TO ASK ALDERMEN WHY THEY FIGHT BUDGET

### FOR VANDERBILT CUP

Oldfield, DePalma and Earl Cooper Favorites in First Contest for This Trophy Ever Held on Pacific Coast

(By Associated Press.)  
SANTA MONICA, Cal., Feb. 26.—Which course record of 13:52 miles an hour to beat, sixteen giant cars, which were the favorites.

The distance is 24.05 miles, or 35 laps of the 3.44 mile course, which was held in the city, started at 10 o'clock in the morning.

In the first Vanderbilt cup race run on the Pacific coast, the best time was 14:09, set by Earl Cooper.

Car No. 1 was sent away by Starter Wagner at 10:05 o'clock. The other fifteen racing machines went away at fifteen seconds interval.

Spencer Wishart in No. 2 made the first lap at 50 miles an hour although the soft spot developed by the recent rains caused the cars to skid at one of the turns.

### MRS. BUFFORD, ON TRIAL FOR MURDER, ON STAND

(By Associated Press.)  
LITTLE ROCK, Ark., Feb. 26.—Mrs. Cynthia Bufford, on trial for the murder of her husband, today took the stand in her own defense.

She told of the time when she was married at the age of fifteen to the death of her husband last August.

She said that she was frequently threatened to kill herself and the entire family, and after putting poison in her husband's food, either accidentally or otherwise.

Mrs. Bufford told of how the detective, Monte Slater, came to the house as he did, and another detective, posing as the nurse's sweetheart, came to the house and stayed there.

## WESLEY CAMPAIGNERS TO BEGIN DAILY MEETINGS

Women Workers for Greater  
Hospital Get Ready for Public  
Canvass March 9

Daily meetings, beginning Monday will be held by the women's campaign committee of the Wesley Memorial hospital, to get ready for the active canvass in behalf of the hospital that will start on the following Monday, March 9.

This was decided Wednesday at the last of the weekly meetings by the committee.

"The time is too close for us to delay any longer," said Mrs. H. H. Tucker, chairman of the committee, "we must gather momentum for real work."

Accordingly every member of the committee will be expected to attend the sessions in the Hotel Winwood headquarters Monday morning at 11 o'clock, and return each day thereafter during the rest of the week at the same hour, inasmuch as each member of the committee is chairman of a canvassing committee of from three to twenty members, its sessions will represent tremendous force that is getting ready to work in the community. Reports, suggestions, developments, and such communications as come in, will be received at these meetings. Each day is expected to reveal the whole organization more compact and better prepared for the severe work that starts on the following Monday.

These were perfected Wednesday for a thorough canvass among the Methodist of Atlanta and other places were taken up for the public canvass which, without regard to denomination, will ask that Wesley hospital be treated as generously as it has treated others. No possible subscriber to the \$25,000 which the ladies expect to raise in Atlanta will be overlooked.

Rev. G. B. Stone, pastor of Payne Memorial, was one of the speakers Wednesday.

Reference is made that the additional \$25,000 from the state at large will be contributed equally. Letters from near and distant points in Georgia, Tennessee, and elsewhere, are becoming more frequent even in advance of an organized campaign in that matter.

"The spirit in which Wesley Memorial has worked is leading to a just reward," said Mrs. K. H. Tucker, chairman of the Women's Auxiliary of the hospital. "The success of the campaign is assured by two things—the good deeds of Wesley hospital in the past, and the high premium on every dollar given now to its betterment."

For every dollar raised by the ladies, as G. C. Chandler of Atlanta has contracted formally with them to deposit \$3 to \$4 in the hospital fund, the total fund raised for the hospital will mean total fund of \$250,000 to the hospital.

This and the fact that the campaign is the first ever undertaken by women in Atlanta, make it unique.

## WIRES ARE CRIPPLED BY SLEET AND SNOWSTORMS

Communication With Points South of Macon Practically Lost

The snow of the past several days and coast storms have interfered with wire communication between Atlanta and all Florida points, except Pensacola, and it was also impossible Thursday morning to establish connection with cities in lower Georgia either over the long distance line of the Southern Bell Telephone company or over the wire of the Postal or Western Union.

Wire officials stated that the break would be only temporary, and expected the trouble to be remedied by afternoon. It was supposed that the wires between Macon were either grounded or broken by ice and by coastal storms in Florida.

Another telephone company expected the trouble to be of long duration, and both stated that there was no word about when it is usual when wires show signs of being cut.

Efforts to reach Valdosta and other cities below Macon Thursday morning over the long distance telephone also proved unavailing.

According to the telephone company, the service is crippled by a sleet storm which has loaded the wires with ice and snow. In some instances, the wires have been broken by the weight of the snow.

## Historic Parish Church In Scotland Is Burned By the Suffragettes

(By Associated Press.) DUNDEE, Scotland, Feb. 25.—An arson squad of suffragettes today burned to the ground the historic parish church of the village of Whitekirk. A quantity of suffrage literature was striven about the scene.

The church was erected in the sixteenth century and contained many relics of the battle in which the Scots were routed by Oliver Cromwell's forces in 1650. In the vicinity of the famous battleground of Dunbar, where the English defeated the Scots in 1293 and caused John Balliol to give up the crown of Scotland.

**MILITANT SUFFRAGIST MAY NOT BE DEPORTED**  
British Home Secretary Says Offense May Mean Woman's Expulsion

(By Associated Press.) LONDON, Feb. 25.—Confirmation of the statement that no steps are being taken by the British government for the deportation of Miss Kate Millett, the militant suffragist of Jackson, Mich., advised by Ronald McKenna, home secretary, in a printed reply to a question put to him in the house of commons today. The home secretary added:

"However if Miss Millett again commits an offense involving the violation of the provision of the alien act, the question of applying to the courts for a recommendation for her expulsion will be considered."

Mr. McKenna today held a conference with King George with reference to Mrs. Randolph's request for an interview with his majesty.

## \$29,000,000 WIRE STOCKS TO BE SOLD

Underwriters Will Dispose of Western Union Stock to General Public

(By Associated Press.) WASHINGTON, Feb. 25.—Plans by which the American Telephone and Telegraph company will dispose of its \$29,000,000 of Western Union Telegraph stock through Kuhn, Loeb & Co., of New York, acting as underwriters, have been approved by the department of justice and according to information in form and has the approval of President Wilson and Attorney General McPherson.

It is expected the bill before the judiciary committee will be promptly reported and passed by both branches of congress, as it is now agreed on in form and has the approval of President Wilson and Attorney General McPherson.

**MISS KEILEY'S DEATH MOURNED IN SAVANNAH**  
SAVANNAH, Ga., Feb. 25.—The friends in Savannah and throughout the state of Miss Benjamin J. Keiley, the wife of W. J. Osborne, former teller of the Montgomery Ward & Co. store, are mourning the death of their daughter, Miss Ellen Keiley, who died at Richmond, Va., yesterday as the result of burns received on Tuesday.

Miss Keiley, who was twenty-two years of age, was alone in her room at Richmond on Tuesday morning when her dress caught fire from a coal in the grate. Before she could extinguish the flames her burns were so bad that death ensued within twenty-four hours. The bishop had just said mass in the church at Richmond yesterday, when he received a telegram telling him of the death of his daughter.

## Taft to Give House Committee His Ideas On Judicial Reform

WASHINGTON, Feb. 25.—Former President Taft, as president of the American Bar association, will be heard tomorrow by the house committee on judiciary in reference to the proposed reform and simplification of procedure in the United States federal courts. Mr. Taft will be accompanied by well known lawyers interested in the reform of federal court procedure, including Judge Alton B. Parker, Senator Root, Louis Brandeis, Dean Roscoe Pound, of Harvard, Frank H. Keeling, Judge Henry Wade Rogers, late dean of Yale university, and Thomas W. Shelton, chairman of the American judicial procedure committee of the American Bar association.

It is expected the bill before the judiciary committee will be promptly reported and passed by both branches of congress, as it is now agreed on in form and has the approval of President Wilson and Attorney General McPherson.

**MISS KEILEY'S DEATH MOURNED IN SAVANNAH**  
SAVANNAH, Ga., Feb. 25.—The friends in Savannah and throughout the state of Miss Benjamin J. Keiley, the wife of W. J. Osborne, former teller of the Montgomery Ward & Co. store, are mourning the death of their daughter, Miss Ellen Keiley, who died at Richmond, Va., yesterday as the result of burns received on Tuesday.

Miss Keiley, who was twenty-two years of age, was alone in her room at Richmond on Tuesday morning when her dress caught fire from a coal in the grate. Before she could extinguish the flames her burns were so bad that death ensued within twenty-four hours. The bishop had just said mass in the church at Richmond yesterday, when he received a telegram telling him of the death of his daughter.

## THINKS LACY CARRIED OFF STATE FUNDS IN SUIT CASE

W. A. Connelly Testifies of Ride With Former Con-vict Clerk

(Special Dispatch to The Journal.) MONTGOMERY, Ala., Feb. 25.—W. A. Connelly, who rode about Montgomery with the Lacy on March 12, 1913, the latter is said to have disappeared today in a suit case. The Lacy, a former convict, was arrested at Montgomery today. Connelly testified that he saw something that resembled a suit case under a lap robe in the car and that Lacy told him "it is none of your business" to words to that effect when he made inquiries about the case's contents. The case is supposed to have contained \$7,500 of funds.

Connelly testified that he heard Lacy remark that "they" were "bothering him at the capital and make some 'uncomplimentary' remarks about H. G. Brooke, examiner of public accounts who inquired into affairs of the convict department."

Witnesses examined at the morning session were W. J. Osborne, former teller of the Montgomery Ward & Co. store; company; Bernard Stiller, cashier; F. D. Kivins, vice president; Rich and Gardner, a negro porter to whom Lacy gave a suit case to be checked at the depot the day he left; W. A. Connelly and W. A. Downing, cashier of the Montgomery Savings bank.

**THOMSON-COCHRAN PLAN  
IS RAPID BY WATERS****County Board Chairman Denounces Proposal to Enlarge It to 15 Members**

Tull C. Waters, chairman of the Fulton county board, is vigorously opposed to the plan of A. D. Thomson, J. O. Cochran and others to enlarge the county board from five to fifteen members, saving the county divided into fifteen districts with one commissioner or representative from each district.

Mr. Waters a few days ago advanced the idea of putting the county board in a strictly commission government by reducing the membership of the board from five to three, requiring the three commissioners to give their entire time to county affairs, and paying them salaries of \$5,000 per year each.

It was in opposition to this suggestion that Mr. Thomson and Mr. Cochran on Wednesday announced their intention of introducing in the county democratic executive committee a resolution providing that there be submitted to the voters of Fulton county at the forthcoming county primary the question of enlarging the board from five to fifteen as outlined.

Mr. Waters in a caustic rejoinder is now quoted as saying the Thomson-Cochran plan is a ward politics scheme, simple and plain. In other words, Mr. Waters declares a division of the county into fifteen districts with one representative from each district would throw county affairs into the same tangled web of politics that now characterizes the city government, with its ten wards each having representatives in the general council.

Mr. Waters argues that a much more business-like handling of city affairs would be obtained under his plan than three commissioners giving their entire time at adequate salaries and being held directly responsible by the people. He argues that this plan would automatically wipe out factions in the county board. He favors a recall feature which would enable the people to get rid of an unsatisfactory commissioner. He says a bill embodying his ideas will be introduced in the legislature at its next session.

**DEMONSTRATIONS ARE  
POSTPONED BY WEATHER**

Because of the bad weather Wednesday the human Park Girls' demonstration was postponed until a later date. As soon as another clear day the date will be announced.

The correct date for the Georgia Baptist Hospital demonstration day is March 2, from 9:30 o'clock in the morning until 5:30 in the afternoon. An error was made in announcing this date previously.

Ernest Kestel's "Maricote," a musical divertissement by Maurice Yvain, is announced as the attraction at the Atlanta for four performances beginning with a matinee today, supported by a company of seventy-five and a ballet of sixty.

Mrs. Thaw's managing directors, F. Ray Comstock and Morris East, have supplied her with what is said to be a clever musical play and a company of well known artists. One of the features of the show is a ballet of sixty under the direction of Emil Agostini, the former director of the famous ballet at the Alhambra theatre, London.

In addition to "Maricote," a number of American and European novelties are introduced, including "Herald and Whirl." The Courtney Sisters, The Schwartz company, Around Brothers, and others. There will be a matinee every day during Mrs. Thaw's engagement at the Atlanta.

John Drew returns to the Atlanta Tuesday and Wednesday with two new plays of the kind that once made the actor a pleasure to the cultivated. Mr. Drew has long enjoyed the reputation of being the best actor of light comedy on the American stage, and in his latest successes in what will appear here, he discloses new phases of his brilliant art. Charles Frohman, under whose direction he appears, had a happy inspiration in choosing for him two comedies, "The Tranny of Wales," by C. Haddon Chambers, and "The Will," by J. M. Barrie. Seats go on sale Friday.

No play presented this season at the Bijou has attracted more attention than "In Wymore," which is being given an elaborate production by Eddie Black and his associate players. The offering is a rattling good melodrama in four acts, the scenes of which are laid in the far west and afford opportunity for picturesque effects.

The well balanced company presents the play in admirable fashion. Eddie Black has a comedy role that fits him finely and he extracts great deal of fun from the lines. He is a great favorite with Bijou patrons, his every entrance is a signal for a favorable demonstration.

Vernon Wallace, the young leading man, makes a capital "cowboy." He swaggers through the part of Bob Rickard, and is well liked by the audience, and they are legion. Miss Marie Claire, the leading woman, never appeared to better advantage. This week she is seen in the role of a young "schoolmarm." Her acting is splendid.

All the other members of the company last.

**MAYOR PRO TEM. CANDLER  
IS GOING TO HOT SPRINGS****Condition Said to Be Serious.  
Absence Has Important  
Bearing on City Affairs**

Alderman John S. Candler, of the Ninth ward, mayor pro tem of Atlanta, who has been seriously ill at his home in Druid Hills for a week or ten days, will leave next Saturday for Hot Springs.

The alderman's condition is understood to be serious. He is suffering with rheumatism and the members of his family feel he is on the verge of a nervous breakdown. They want him to get away from his business affairs and from the affairs of the city government entirely, so he may rest. For this reason they have insisted on his going to Hot Springs.

Alderman Candler's absence will have an important bearing on city affairs and more especially if it is prolonged, which is not unlikely. He is one of the five members of the aldermanic board who have held up the finance sheet since early in January. With Alderman J. H. Harwell at the Grady hospital with a broken hip, there were nine aldermen left to vote and this placed the five aldermen who are opposing the sheet in the majority.

The absence of Alderman Candler will leave the other four who oppose the sheet in a controlling position, since a majority of those voting in the aldermanic board is necessary to concur in any action of council. The absence of Candler and Harwell leaves eight, so the four aldermen can still block the sheet by tying the vote in the aldermanic board.

But alderman Alderman Harwell improve sufficiently to return to the city hall while Alderman Candler is away, his vote would be cast in favor of the sheet, which would pass it by a vote of five to four. Of course the sheet may not be held up this long, but the various angles of the situation are being discussed with lively interest in city hall.

The absence of Alderman Candler will put Alderman I. N. Haxel in the chair as presiding officer of the general council and in the event of Mayor Woodward's absence or disability, would place him in the mayor's chair. His position is that of provisional mayor pro tem, a position created last year. Previous to that time a presiding officer in the absence of the mayor pro tem was selected at each meeting of council. The provisional mayor pro tem is chosen by a vote of the general council the same as the mayor pro tem.

There are character parts to which they do full justice. The play goes with a snap and dash that is commendable. There is not a dull moment from first curtain to last.

**Lenten Services Are  
Now Being Held in  
Atlanta Churches**

With the beginning of Lent, Wednesday, Atlanta entered upon the annual period of her penitence and meditation. Ash Wednesday services were held in the Catholic and Episcopal churches, and the meaning of Lent was interpreted to the congregations. The season will be observed by special services in all of the Christian churches.

Union services will be held each Thursday night in the Episcopal churches, beginning with this Thursday in St. Philip's cathedral. On March 8 the union service will be held in all the churches, with Rev. L. R. Richards preaching; on March 15, in the Church of the Incarnation, with Rev. W. W. Manning in the pulpit; March 19, St. Luke's, Rev. Dr. C. T. A. Plaf; March 24, Church of the Holy Comforter, Rev. Dr. C. R. Wilmer, and April 2, Church of the Epiphany, Rev. Z. C. Lacey. Each of the Episcopal churches will have special services. At the cathedral they will be held daily at 8:30 and 4.

The program of services at the Sacred Heart is typical of that to be followed by each of the Catholic churches in the city. Mass will be said each morning at 6, 8:30, and 10 o'clock. On Wednesday and Friday evenings there will be devotions, beginning at 8 o'clock, with the stations of the cross each Friday evening. On Sunday mass will be celebrated at 7, 9:30 and 10:45 o'clock, with high mass at 11. Special services will be held each Sunday evening at 8 o'clock.

**Card of Thanks**  
Mrs. J. N. Lucas wishes to express her sincere thanks for the many tokens of love and sympathy shown her in the recent illness and death of her husband, Mr. J. N. Lucas.

THE change may be critical and cause untold suffering in after-life. The modern young woman is often a "bundle of nerves"—"high strung"—fainting spells—emotional—frequently blue and dispirited with life. Such girls should be helped over this distressing stage in life—by a woman's tonic and nerve—this has proven successful for over 40 years.

Good Wishes for Meeting  
Here in March**

From Christ church, London, Dr. Len G. Broughton, who organized the Atlanta Bible conference in 1888 and conducted it annually for fourteen years, has written to express his well wishes for the sixteenth annual conference, which begins Sunday, and to predict that it will be the greatest in the organization's history.

The letter, which is addressed to Dr. Sol C. Dickey, who will be director of the conference, as follows:

"Dear Dr. Dickey: I have just received yours of November 28 and thank you for the same. I rejoice more than you will ever know that you are going to direct the March Bible conference. My heart and when I found it was impossible for me to attend this coming March, I at once turned to you, and as you know, did all I could to get you to include it in your chain of conferences. I know your ability to direct such conferences and I know the list of helpers you have engaged for the coming season and I most heartily congratulate the Atlanta conference that they are to have such a platform as you are furnishing."

"Of course, I need not say the fact that Dr. Campbell Morgan is to be there is in itself a great satisfaction to me. I know Dr. Morgan's great grip on the Atlanta conference and I predict that they are to have such a platform as you are furnishing."

## STAY SHOTS AT PORT TARGETS

Baseball fans in Toledo find themselves in the midst of a rather peculiar situation just at present. In the vernacular of Hub Preber, "they don't know just where they are at."

Speculation in the Ohio city is rife as to just what is going to be done. It is understood that the sanction of the Federal League has been obtained for placing a team in the central league in Toledo.

## MAY BE BLUFF

The most plausible theory advanced thus far is that the Toledo team will open the season on their own grounds when the time comes to play ball. While Rogers has announced the transfer of the club to Cleveland, it is likely that a schedule will be arranged as soon as it has been ascertained for sure that the Federals will not try to put a team in the Six City.

## ANOTHER TURN

Another little side argument in connection with the Federal league matter is due to be sprung within the near future, following the action of the Federals made would be to line up some of the minor leagues with the club, has scheduled a series of practice games with Minor Brown's Rebels. These games are to be played in Springfield about the middle of April.

Now the point to this situation is that the Three-I league belongs to the National association. Since the association has refused to recognize the outlaws, it will be a matter of interest to see just what action will be taken. In all probability the association will notify Springfield to cancel the games. If this club does so, all will be well, but if President Buckley insists on playing, then we are likely to see quite an interesting situation result.

## HEADLINER MURPHY

If Charlie Murphy has really sold his interest in the Cubs, there is nothing left for him to do now but write his experiences in "Running a Shoestring Into a Tanqueray" or sign a vaudeville contract.

"Just to think," said he, "after all the publicity that the matter got following my downfall, another good mother should be so careless as to leave so vulnerable a spot as the kid's head unprotected. Referring, of course, to Willie Ritchie."

No, Friend Pan, there is no truth in the report that Hannes Kolman has challenged Ritchie for a match race. The Finn works over a distance road, but he makes no pretense toward endurance horses, in the matter of the length of time he can keep running.

## Eddie Hanlon Defeats Gannon

Eddie Hanlon again demonstrated his superiority over Mickey Gannon, the Pittsburgh welterweight, when he stopped the latter at the Columbia theater Wednesday night. The match was a close one, but Hanlon put over a knockout in the third frame. Gannon claimed that Hanlon hit him low in the second round, but his claim was not allowed. Hanlon is too strong for the Pittsburgh boy and had little trouble in beating him.

## AMERICAN GOLFERS WILL MEET BEST BRITISHERS

BY HUGH S. FULLERTON.  
All American golfers are interested; some enthusiastic, some inclined to complain of the conditions under which the British open golf championship must be played this year.  
A new and radical departure has been arranged for the qualifying rounds, a change which is certain to be the severest possible test for competitors.  
The arrangements recently decided upon by the managers who have charge of the great tournament, to be held on the golf links on June 15 and 16, comprise each entrant to play the preliminary rounds on each of the qualifying courses. All competitors must play one round on each of the qualifying courses, and the 100 returning the lowest scores.

## Appalachian League Will Reorganize

(Special Dispatch to The Journal.)  
ROME, Ga., Feb. 26.—Baseball country indicates that the Appalachian league, whose fate has hung in the balance for several weeks, will be reorganized for the 1914 season with the same line-up as heretofore, except that Pineville, Ky., takes the place of Rome. Johnson City and Bristol have been dropped. Knoxville, which is the principal city in the league, recently delivered an ultimatum, stating that unless these two cities are shown increased activity and it is believed that the league will be reorganized and will start this season on schedule time early in May.

## Grammar School League Holds First Meeting

Wednesday afternoon the various grammar schools of the city deferred to have a team in the Grammar league this spring, braved the inclement weather and came to the initial meeting. Nothing was done, however, as several schools telephoned that their representatives would be unable to attend. Twelve boys were present at the meeting and talked optimistically of their team this year, all of them saying that they would undoubtedly get first honors. The meeting was held at the College Co-op, 111 Peachtree street, and all schools are urged to have their representatives present, as officers will be elected.
